

The ABCs of Homebuying

Learn the real process of buying a home

A course offered by NEDCO

Whether you are just beginning to consider homeownership, or ready to make an offer, this extensive eight hour course will give you the information you need to make knowledgeable decisions.

ABCs of Homebuying is taught by volunteer professionals with the latest industry information.

This course will help first-time or returning homebuyers understand:

- ◆ financial planning and credit preparation
- ◆ shopping for a home and mortgage
- ◆ the closing process
- ◆ protecting your investment long-term

Completion of this course may help qualify you for many down-payment and closing-cost assistance programs.
